

Dear High School Teacher:

Please attend this FREE teacher training workshop. Teachers are trained to facilitate. Any student who has or is going to have a source of income needs to learn how to manage and protect that money. Our program emphasizes the importance of long-term saving and investing, not get-rich-quick schemes, and securities fraud awareness. Semester, trimester, quarter, and customized schedules are available. Our program has been impacting teachers and students successfully since 2005.

Sponsors of this FREE, unbiased investment education program:  
Oklahoma Securities Commission and University of Oklahoma Outreach

*Program Credibility*

- **STARS program aligns with Oklahoma’s PASS standards.** Documentation is on our site.
- The State Department of Education recognizes Invest Ed<sup>®</sup> STARS as a resource for HB 1476. Resources are provided for all 14 objectives.

*Program Validity*

Students write a report at project’s conclusion. Student report winners are honored; winners are not selected based on portfolio results. Program promotes securities fraud awareness.

*Program Overview*

At [www.investedok.org](http://www.investedok.org) on every STARS page in the lower left column is a STARS Resources box. A 30-min. DVD and a 30-minute PowerPoint presentation introducing our program and its benefits to students as well as student and teacher activities are available. Also on our site is a STARS FAQs page.

*Workshop Eligibility Requirements*

- must teach grades 9-12 in Oklahoma
- must plan to continue teaching in an Oklahoma secondary school or Technology Center
- must plan to teach investment/financial education if not already doing so
- offered as a refresher for repeat teachers; updated materials provided; cannot provide repeat stipend

*What Teachers Receive at Saturday Workshop*

- detailed project guidelines ● hands-on Internet portfolio training ● financial calculator instruction / practice
- every form necessary to implement this FREE project ● access to optional investment education resources
- professional development points with district’s approval ● certificate of completion ● \$100 stipend

Thank you for all you do for your students.

Sincerely,

Jo Ann Murray  
Project Director
